

The BCUA will accept confidential and personal documents which will be handled and recycled in a secure manner to prevent the possibility of identity theft. Acceptable documents are limited to confidential and sensitive materials only. It is not necessary to remove paper clips, staples or paperboard binder covers.

Residents are asked to limit their documents to 4 bags/boxes weighing no more than 10 lbs. each. Residents will also have the opportunity to recycle electronic equipment. Acceptable electronic equipment includes: computers, monitors, printers, circuit boards, speakers, modems, mother boards, power supplies, photocopiers, fax machines, televisions, VCRs and DVD players, stereo equipment and cell phones.
